- Options for action
- Active, responsible shaping of one's own life
- Active socially responsible design of the common living environment with others
- Understand the effects of your own actions decisions under
- Consideration planetary boundaries and subsequent generations

A group of people, mostly seen from behind, are holding large, glowing blue exercise balls high above their heads. The scene is set at dusk or dawn, with a warm, orange and red sky in the background. The people are wearing dark clothing, and some have small blue lights on their heads. The overall atmosphere is one of collective participation and shared activity.
